

Subject: A-church-of-our-own

For those of you who don't know me, I'd like to introduce myself. I'm Liz Haberman, a very proud (and excited) member of Sunriver Christian Fellowship. I'm delighted to have been given the task of taking a new and different Time and Talent survey, inviting all of you to become a part of creating a new church of our own. We are all being given the opportunity to join in making, what was once a dream, a reality.

As Pastor Roy Green has said, "Faith and hard work go together." This "work" will not only be rewarding, but fun, as we all join together with other congregants in making our church ready for the faithful to worship. Beyond that, we hope to create a multi-use, welcoming facility that mirrors the inclusive philosophy of our fellowship.

We have the beginnings of a new church.... let the fun begin! . This is an opportunity, beyond the Capital Campaign, for all of us to leave our footprints in this new house of God. Let's make this space our own and let it begin with you!

Please pick an ad hoc committee (list attached) that piques your interest. If you see more than one interest, please number up to three, indicating the order of your preference (1, 2, 3).

Time is of the essence. The sooner we have a full volunteer force committed to these tasks, the sooner we will be able to apply our research and subsequent recommendations toward church occupancy. I'm sure that all of you are as anxious and excited as I am to begin enjoying our new church home.

Please return the attached form to me by email, mail or you may drop it off at Rob's office (56835 Venture Lane, Suite 206C, Sunriver). You may also mail it to the church, SCF, 18160 Cottonwood Road, #266, Sunriver. I would be happy to pick up your completed form at your home. When our ad hoc committees are formed, I will be reaching out to you with more information.

Thank you, in advance, for joining this exciting adventure. We have so many wonderful and worthy ministries we support locally, nationally, and internationally. This very new home ministry, "a church-of-our-own", will bring us all great joy! Our recently deceased and beloved Pastor Jack Kiekel's motto was, "lean out on the Godward side". Let's do a great big grateful "lean" together!

Watching God work,

Liz Haberman
